**We set out to  
build a better way  
to invest.**

Real estate has historically been one of the best-performing investment assets and a core part of many of the most successful investor portfolios.

But investing in real estate (the way institutions do) traditionally hasn't been available to most investors without either meeting high net worth requirements or going through a complex and inefficient process, riddled with high fees and outdated middlemen.

We started with a simple idea: to use technology to make high-quality real estate investments available to everyone at a low cost.

In the beginning, we faced our fair share of skeptics, especially within the institutional investment industry. They said our idea wasn't possible. Turns out, they were wrong.

Since launching our first offering in 2012, we've invested in more than \$4 billion worth of real estate across the country. Today, we manage more than \$1 billion of equity on behalf of more than 170,000 individual investors.

**Our goal is to build a better financial system for the individual investor — one that is simpler, more reliable, lower cost and transparent.**

**Open an account with as little as \$10.**

Although our business and the technology we build have continued to evolve, our mission has always remained the same: to empower the individual investor. That's why we obsess over things like cost efficiency, minimizing fees, frequent candid communication, and developing smarter tools that provide better insights.

Perhaps the clearest manifestation of this investor-first approach is the fact that we're investor-owned, allowing real estate portfolios to become fellow shareholders of the company itself through our unique IPO model. This lets us minimize our dependency on outside capital and better align our long-term interests with the long-term interests of our investors — in short, making our success their success.

Almost a decade later, we're still just getting started. Welcome to the future of real estate investing. You can open an account for as little as \$10.

**GROUND FLOOR INVESTING**

Ground Floor is a unique financial product for individual investors that allows non-accredited and accredited investors alike to participate directly in real estate investment loans on a fractional basis. We open the door to short-term, high-yield returns backed by real estate. Typical loans have returned 10% annually on a 3 to 12-month term. You pick your terms! You can open an account for as little as \$10. These are actually like mini CDs if you think about it.

The product is based on venture loans to real estate entrepreneurs, originated and serviced by Ground Floor. Prior to the offering, every loan is pre-funded by Ground Floor after a thorough vetting of the borrower's experience, creditworthiness, and business plan, plus an assessment of the property value on an as-is and as-improved basis.

Founded in 2013 by Brian Dally and Nick Bhargava, Ground floor is headquartered in Atlanta, Georgia with a fast-growing team on a mission to take private lending public. Use the link below and receive \$10 in your new account when you open an account with us.

## Give yourself a 33% savings - immediately!

Our proven program uses the law to:

- increase the take-home pay of over 150 million W-2,W-4 employees and 1099 Contractors
- save on taxes on checks that are deposited into bank checking or savings account
- help business owners keep more of their hard-earned money
- assist retirees, too!

**Supporting the IRS and paying taxes is not the same as supporting your government.** In fact, the Federal Reserve is a direct contradiction to the idea of "proper" banking as conceived by Thomas Jefferson, the author of the Constitution.

Give yourself the peace of mind that redeeming **lawful money** is not only lawful but also your duty as an American. Redeeming **lawful money** is a **Lawful Peaceable Solution** by **Operation of Law** which eliminates the need for the more confrontational "Tax Protests" or "Occupy Wall Street" movements.

**Make sure you correctly endorse** your hard-earned paycheck for **lawful money**. You can use it on any form of check - payroll, gift, lotto winning, Social Security etc. This works even if you have direct deposit.

This 28 page report and guide comes with the Memorandum of Law and the United States Statues that will teach you how to lawfully opt out of the private contract with the Federal Reserve System – of which the Constitution cannot help you – and you will learn how to **make use of Public Money** of the State in accord with the Constitution.

Help yourself by **performing your patriotic duty** to redeem private credit into **lawful money** which will collectively **Reduce the National Debt**. A memorandum of law and detailed instructions are included with your order. With a possible **savings of 33% or more**, you will be blessed with the ability to better support your family. You will be able to **free up more time to spend with your family** and focus on the things that truly matter to **you**.

**Purchase now for just \$10**  
**This is a \$200 value, but truly priceless**  
**compared to the money you can be saving!**

# “My automated *Midas Legacy* website makes me \$79,914 a month...

... If I give YOU a  
carbon-copy of it,  
and run it for you,  
will you split the money  
with me...?”

Dear Friend,

It's very simple, so I'll cut to the chase...

I have an automated money-machine that can't keep up with demand. So why don't I give you an exact copy of this money-machine, profit-ready, and let me run it for you so that you can make as little or as much as you like? I'm literally talking about giving you my biggest, simplest, and most secret 'wealth-weapon'...!

*The catch?*

Simple. You agree to split the profit with me, 50/50. That's a win-win; a straightforward business deal that any true entrepreneur would appreciate. And I'm not charging a penny for this money-machine (I don't charge people for being my business partner!).

Any other catches? Yes, one more: **only 0.47% of my subscribers will be given one of these readymade money-machines, and all my deepest secrets to go with it.**

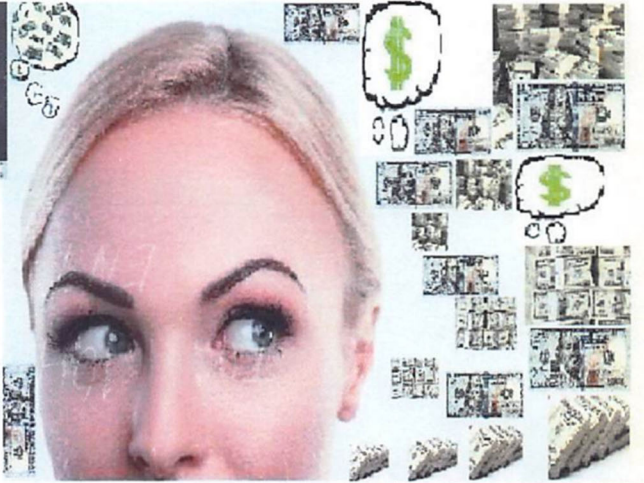

***And one of these \$79,914-a-month websites can be YOURS FOR FREE!***

As one of my best students, I've saved you a spot. But if you don't claim your carbon copy website by the deadline (72 hours), I'll be forced to reallocate your place to someone else and let them claim this website instead...
