# Sell Your Used Postage Stamps

All those offers you receive along with any other mail, comes to you in an envelope with a canceled stamp on it. That stamp still has value, but you throw it away in the trash anyway because most folks don't know how to turn them in for cash or fresh stamps.

Our report shows you how to "cash-in" on this little known secret, even though it's been around for years. The report also has a list of firms and business men who will gladly buy your used stamps.

All of a sudden trash mail has become a little "Gold-Mine." You'll be wanting more and more people sending you their offers (of course yours is always better) just so you can add the canceled stamp to your collection. But wait a minute... you now have a new name to send your better offer to!! A by-product of gathering used postage stamps so you can sell them.

**Enroll In The Mailing List Provided and by the time your name reaches the final position you would receive ten's of thousands of offers with all those stamps you can sell. Don't discount the power of multiplication.**

**FREE Master copy of this circular with your name/address. Plus all those names you can reverse mail with your offers.**

## **Amazingly Low Priced Old Forever F/C Stamp**

**Join any 3 of my great flyers  
and I'll mail you the 2 stamp  
sources that will help you save  
and make extra money quicker  
from your mailings. I did much  
research starting around 1981  
on how to make money with  
mailorder, etc. Spent thousands  
and it was worth it.  
Review these flyers.**
