Take a journey with Aunt Tina to a quiet and secluded gated community located somewhere in Indiana.

Enter the intriguing world of Artificial Intelligence (A.I.) Squirrels.

These squirrels are programmed mechanical devices that can imitate human intelligence and thought. Some people say this story never happened. Others say it may have happened. A few say it did happen. At the end of the story, you may be asking yourself this question. Do Artificial Intelligence Squirrels really exist?

You be the judge.

Dear Soon-To-Be a Top Money-Earner:

Have you ever struggled to “figure-out” what is the difference between what the top industry money-earners have been doing and what you’ve been doing? It’s NOT what you might think.

The top money-earners use a little-known marketing technique called “funded marketing” where all of their marketing costs are funded by the marketing system they are using. This usually includes creating and selling books, courses, training, or coaching and is NOT duplicatable for you or your team.

We’ve designed a marketing system that lets you use this “funded marketing” technique without having to write books, run courses or coach anyone...After all, who has the time for all that anyway!?

Introducing: FUNDED MEDIA

Your 100% turn-key Funded Marketing system. If you can mail out at least 100 postcards per month, you can become a top earner AND get a share of all of our company profits too!

The Funded Media system includes:
Automated marketing website & autoresponder
100% automated sales process - no calling required
Grow any direct mail or network marketing business
Share in our company profits - paid weekly

There are many people all over the U.S. that have already joined us...are you next?
We will share 100% of our company profit with you weekly...No strings attached!
