## We set out to build a better way to invest.

Real estate has historically been one of the best-  
performing investment assets and a core part of many  
of the most successful investor portfolios.

But investing in real estate (the way institutions do)  
traditionally hasn't been available to most investors  
without either meeting high net worth requirements or  
going through a complex and inefficient process,  
riddled with high fees and onerous middlemen.

We started with a simple idea: to use technology to make high-quality real estate investments  
available to everyone at a low cost.

In the beginning, we faced our fair share of skeptics, especially within the institutional  
investment industry. They said our idea wasn't possible. Turns out, they were wrong.

Since launching our first offering in 2012, we've invested in more than \$4 billion worth of real  
estate across the country. Today, we manage more than \$1 billion of equity on behalf of more  
than 170,000 individual investors.

**Our goal is to build a better financial system for the  
individual investor — one that is simpler, more reliable,  
lower cost and transparent.**

**Open an account with as little as \$10.**

Although our business and the technology we build have continued to evolve, our mission has  
always remained the same: to empower the individual investor. That's why we obsess over  
things like cost efficiency, minimizing fees, frequent candid communication, and developing  
smarter tools that provide better insights.

Perhaps the clearest manifestation of this investor-first approach is the fact that we're investor-  
owned, allowing real estate portfolios to become fellow shareholders of the company itself  
through our unique IPO model. This lets us minimize our dependency on outside capital and  
better align our long-term interests with the long-term interests of our investors — in short,  
making our success their success.

Almost a decade later, we're still just getting started. Welcome to the future of real estate  
investing. You can open an account for as little as \$10.

## GROUND FLOOR INVESTING

Ground Floor is a unique financial product for individual  
investors that allows non-accredited and accredited  
investors alike to participate directly in real estate  
investment loans on a fractional basis. We open the door to

short-term, high-yield returns  
backed by real estate. Typical  
loans have returned 10%  
annually on a 3 to 12-month  
term. You pick your  
terms! You can open an  
account for as little as \$10.  
These are actually like mini  
CDs if you think about it.

The product is based on venture loans to real estate  
entrepreneurs, originated and serviced by Ground Floor.  
Prior to the offering, every loan is pre-funded by Ground  
Floor after a thorough vetting of the borrower's experience,  
creditworthiness, and business plan, plus an assessment of  
the property value on an as-is and as-improved basis.

Founded in 2013 by Brian Dally and Nick Bhargava, Ground  
floor is headquartered in Atlanta, Georgia with a fast-  
growing team on a mission to take private lending public.

Dear Soon-To-Be a Top Money-Earner:

Have you ever struggled to “figure-out” what is the difference between what the top industry money-earners have been doing and what you’ve been doing? It’s NOT what you might think.

The top money-earners use a little-known marketing technique called “funded marketing” where all of their marketing costs are funded by the marketing system they are using. This usually includes creating and selling books, courses, training, or coaching and is NOT duplicatable for you or your team.

We’ve designed a marketing system that lets you use this “funded marketing” technique without having to write books, run courses or coach anyone...After all, who has the time for all that anyway?!?

**Introducing: FUNDED MEDIA**

Your 100% turn-key Funded Marketing system. If you can mail out at least 100 postcards per month, you can become a top earner AND get a share of all of our company profits too!

- The Funded Media system includes:**  
Automated marketing website & autoresponder  
100% automated sales process - no calling required  
Grow any direct mail or network marketing business  
Share in our company profits - paid weekly

There are many people all over the U.S. that have already joined us...are you next?  
We will share 100% of our company profit with you weekly...No strings attached!
