# BTTTS

B A C K T O T H E S T A N D A R D

In recent years, there has been a dramatic shift in the network marketing industry away from autoships and physical products. We have been systematically moving to digital products, online services, and cryptocurrencies as an industry.

There have been significant increases in government control, loss of freedom, and inflation (and, in some cases, hyperinflation). This has led to fear and huge swings in the stock market, crashes in real estate, and even some families losing their life savings, their homes, and, in some cases, their hope.

But...

We are here to take a stand. We will not accept a future without opportunity, prosperity, and freedom. And for those who want to stand with us, we offer a better solution to attain an above-average life.

We are poised to help you capitalize if you partner with us to grow this new movement.

Back To The Standard (BTTTS) is the culmination of decades of experience building network marketing teams, online marketing systems, and network marketing companies.

With employees and contractors across the globe in North America, Asia, and Europe, we have assembled the brightest and best in the industry to make Back To The Standard (BTTTS) a household name and help you step into a bright new future.

Back to The Standard (BTTTS) offers a very generous, lucrative referral program for those members who want to share the Wealth Building Systems with others.

Back to the standard (BTTTS) is a fully loaded, totally automatic Wealth Building System set up and ready to make money for you on autopilot!

Dear Note Holder,

I'm writing to tell you that now is the time to sell your real estate note. With interest rates rising, your note's value is at a high point and will soon decline in value. Many note holders are currently selling and using those funds for a number of reasons, the two most popular reasons are:

- Paying off high interest credit cards and all other debts
- Creating new notes at a higher interest rate

As interest rates rise, credit card rates will too so now is the time to pay them off. Also, with rising interest rates you will be able to create a new note at a much higher interest rate.

Here are a few more reasons to sell your note...

- Eliminate the worries of late payments, unpaid insurance, or a costly foreclosure.
- Liquidating an estate? Selling a Note makes distributing assets simple and easy.
- You will no longer have to annually file IRS FORM 1098..

When you sell us your note, nothing changes for your Purchasers. When we purchase your Note all terms remain the same. We will service the Note payments so your purchaser will only make payments to one company for its entire duration. Also, since the monthly payments will be reported to the credit reporting agencies your purchaser can build their credit.

**08906-81423**

Do I have to Sell the Entire Note? No, you do not. We offer a 'Partial Purchase' option whereby you can sell us an agreed upon amount of future payments in exchange for a lump sum of Cash Now. Then after we receive those payments, the Note will be yours again. This option works great if you are looking for a quick \$10,000, \$20,000 or \$50,000+.

Why Sell your Note to us? We offer excellent personalized service and very competitive pricing. We can close quickly and get you your money fast.

Call Us Today at (315)-570-3721 for a Free No Obligation evaluation of your Notes current market value, we look forward to hearing from you soon.
