In recent years, there has been a dramatic shift in the network marketing industry away from autoships and physical products. We have been systematically moving to digital products, online services, and cryptocurrencies as an industry.

There have been significant increases in government control, loss of freedom, and inflation (and, in some cases, hyperinflation). This has led to fear and huge swings in the stock market, crashes in real estate, and even some families losing their life savings, their homes, and, in some cases, their hope.

But...

We are here to take a stand. We will not accept a future without opportunity, prosperity, and freedom. And for those who want to stand with us, we offer a better solution to attain an above-average life.

We are poised to help you capitalize if you partner with us to grow this new movement.

Back To The Standard (BTTTS) is the culmination of decades of experience building network marketing teams, online marketing systems, and network marketing companies.

With employees and contractors across the globe in North America, Asia, and Europe, we have assembled the brightest and best in the industry to make Back To The Standard (BTTTS) a household name and help you step into a bright new future.

Back to The Standard (BTTTS) offers a very generous, lucrative referral program for those members who want to share the Wealth Building Systems with others.

Back to the standard (BTTTS) is a fully loaded, totally automatic Wealth Building System set up and ready to make money for you on autopilot!

# Turn Junk Mail Into Your **GOLD MINE!**

Millions of people have tried the Get Rich programs by mailing out "Chain Letters." These are the offers that tell you how you can earn \$50,000 to \$200,000 in a few weeks!

The typical chain letter plan goes something like this: There is a list of names on this letter. You are told to send a certain amount of money to each person on the list. Then you are supposed to remove one name from the list and add your name to it. Maybe they tell you one of the names is the Monitor of the program and he/she will send you a Master Copy with your name on it. Some will even tell you where you can buy names. You make copies and mail out 100 to 1,000 copies. Money is generated by new people coming into the program. Your name stays on the list when they mail out their copies. This produces a "pyramid effect" and eventually there will be thousands of people sending money. Does this sound similar?

These offers are very tempting, but they just DON'T work! Only 1% make money — The other 99% of the people who mail these chain letters will LOSE MONEY! If the Post Office catches you, you can get into serious difficulty! The Post Office considers these types of programs as a fraud and illegal!

How can you make money from these chain letters? It is not in mailing out these letters themselves, it is in mailing other information to the people who are listed on them. You would be surprised at the level of response you can receive by sending the right information to these people. I have a package of information created specifically for this purpose. Now you can own it and use it just like I do.

I will send you my complete information package which includes a 6-page report, sales circular, small space display ads, classified ads, and marketing instructions. You can copy for pennies, and sell the entire kit for \$10. You also will get Free Reprint Rights.

All you need to do to make money with this plan is to get the sales circulars into the hands of people who are mailing out these chain letters or to just about anyone who wants to make money. Simply mail copies of the sales circulars to the people listed on each offer you get. I will tell you how you can increase the number of offers you receive so you can make even more money. You can also send out the sales circulars to mailing lists and use an inexpensive kit. This is a complete, ready to go into the mail order business. If you want to make money mailing letters from home, you have just found an honest, legal and profitable way to do it!

Dear Note Holder,

I'm writing to tell you that now is the time to sell your real estate note. With interest rates rising, your note's value is at a high point and will soon decline in value. Many note holders are currently selling and using those funds for a number of reasons, the two most popular reasons are:

- Paying off high interest credit cards and all other debts
- Creating new notes at a higher interest rate

As interest rates rise, credit card rates will too so now is the time to pay them off. Also, with rising interest rates you will be able to create a new note at a much higher interest rate.

Here are a few more reasons to sell your note...

- Eliminate the worries of late payments, unpaid insurance, or a costly foreclosure.
- Liquidating an estate? Selling a Note makes distributing assets simple and easy.
- You will no longer have to annually file IRS FORM 1098..

When you sell us your note, nothing changes for your Purchasers. When we purchase your Note all terms remain the same. We will service the Note payments so your purchaser will only make payments to one company for its entire duration. Also, since the monthly payments will be reported to the credit reporting agencies your purchaser can build their credit.

**08906-81423**

Do I have to Sell the Entire Note? No, you do not. We offer a 'Partial Purchase' option whereby you can sell us an agreed upon amount of future payments in exchange for a lump sum of Cash Now. Then after we receive those payments, the Note will be yours again. This option works great if you are looking for a quick \$10,000, \$20,000 or \$50,000+.

Why Sell your Note to us? We offer excellent personalized service and very competitive pricing. We can close quickly and get you your money fast.

Call Us Today at (315)-570-3721 for a Free No Obligation evaluation of your Notes current market value, we look forward to hearing from you soon.

Please Mention Letter Reference # **08906-81423**

# The Divine Giving Gift Club

DG-209

Join a program that helps yourself and others.

**You've seen it all:**

Layoffs and plant closings, unemployment sky high, people losing their jobs, the price of gas going thru the roof, food prices on the rise, the cost of health insurance is out of sight, Medicare is going broke, people choosing whether to buy food or medication. No doubt about it, we are in trouble.

**If you join our program, you will be helping others and in turn you will be helping yourself.**

It only costs you a one-time donation to the 10 people on our list. You will be sending their gift directly to that person, thereby eliminating the chance of being cheated. No one handles your money, it goes directly to you.

This is a 10 level gifting program. If everyone got just 5 others to join, you could receive \$9,765,625.00 just because you chose to help others.

5x5x5x5x5x5x5x5x5x5 at \$5.00 each = \$9,765,625.00

Send \$5.00 cash to each person on the list. Make a copy of this flyer and send it along with the gift. Then send \$5.00, along with a copy of this flyer to the monitor to have your flyer made up with you listed in the #1 position. As others join, your name will move down each position and more flyers with your name on it will be sent out by each person joining.
